**Our Embryo and Semen offering will be listed on-line at [www.cwcattlesales.com](http://www.cwcattlesales.com)**

### TERMS & CONDITIONS . . .

**Health:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date, and cattle born at Gana Farms & Sullivan Farms have been vaccinated. A list will be available on sale day listing any non-vaccinations.

**Semen rights:** We are retaining an in-herd semen use on all bulls selling in the No Bull Sale.

**Flushes & DNA:** We reserve one flush of eight or more grade 1 or 2 embryos at our expense on all females selling. We also retain, at our expense, the opportunity to obtain a DNA cell line for cloning purposes on all cattle selling in this sale.

**Liability:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Neither the owners, employees, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety.

**Breeding Update/Calving Information:** There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

**Registration & Transfer:** All animals sell w/ completed pedigrees/applications for registration.

**ASA Breeding Guarantee:** All animals sell guaranteed to be fertile. Exceptions 1) Disease, or injury occurring after purchase; 2) Bulls being run with the herd prior to 14 months of age. Gana/Nisley and Sullivan Farms will guarantee open heifers to breed; however, please keep in mind that animal conditions influence fertility greatly. If there is a problem, we would want the females to be returned to us to be bred. Open heifers that have been transplanted are not guaranteed. In the event that an animal will not settle with the efforts of the buyer and seller, a sale credit in the amount of the purchase price will be issued to the buyer that can be used at any time on any animal, flush, semen or embryos sold by Gana/Nisley or Sullivan Farms.

**Retained Flushes:** Flushes to take place at the convenience of the buyer at a location of their choice. We will pay all normal costs associated with the flush. Animals may be returned here for transplant if buyer so desires at no cost.

**Embryos:** Guarantee one pregnancy on each package of embryos sold if implanted by a certified technician. In the event that a pregnancy is not confirmed, an additional embryo will be received.

V A R RESERVE 1111 x SANDPOINT PRIDE 2392

Again, a breed steer or pedigree good enough for a bull. He is eye  
appealing and has great hair. A pedigree full of strong cow fami-  
lies an EPD spread that is great.

09.02.14 Silver LE 3B Steer  
STUD MONKEY x B GOOD LADY FOOL 3T

We were hoping for a female from this mating, but not disappoint-  
ed in this guy either. Muscle, bone, and extra sound. Can be reg-  
istered as a ShorthornPlus.

## ANA 734B

09.30.14 Black LE 734B Steer  
GTWY DYNASTY x ANGUS

Another good, cool made steer prospect that has caught the eye of  
many. Dynasty, the Monopoly son out of Hairietta, is producing  
the right kind of cattle that will compete.
