Truly a Shorthorn bull for all segments of the beef industry. If you are interested in moving your herd forward SULL Red Power is the bull for you. The most diverse sire ever raised at Sullivan Farms. Red Power possess breed changing characteristics. His tremendous data figures coupled with depth of body, and performance with the look. **Sullivan retains in herd use.** We have had interest in semen packages, contact Dave, Josh or Jeff Aegerter for more information. BW: 81 lbs.; WW: 746 lbs.

Selling 5 straws, conventional

Marquis is the outcross calving ease sire that we have used successfully in our herd. He has been propagated strongly in master cattlemen, Dale Studer's program. I believe Marquis is the base to some of Dale's best cows. Unfortunately Marquis is deceased as his popularity arose.
